ABOUT IPCA

A Federation of five National Pharmaceutical Associations as its constituents - IPCA is the apex body representing the Indian Pharmacists working in various capacities, viz, Community Pharmacists, Hospital Pharmacists, Industry (in Production, R & D, Quality Assurance, Marketing, Regulatory Affairs) Academics and other disciplines and areas of work. IPCA has more than 20,000 pharmacists as its members: The Indian Pharmaceutical Association - IPA, The Indian Pharmacy Graduates Association - IPGA, The Indian Hospitals Pharmacist Association - IHPA, The Association of Pharmaceutical Teachers of India - APTI and The All India Drugs Control Officers Confederation - AIDCOC. The first Indian Pharmaceutical Congress (IPC) was organized at Kolkata in December 1948 with Prof M. L. Shroff as its President. Thereafter, each year the IPC has been organized successfully. The Professionals elected to preside over the IPC and IPCA for these years have been people of great eminence in their field. The Presidents have been personalities mainly from the Drug Industry, Pharmaceutical R & D, Pharmacy Education and Drugs Regulatory Affairs. Intelligent and appropriate expression to the theme statement provided by each of them for their respective IPC and IPCA.

The Objectives

- To bring together Academicians, Scientists, Industrialists, Regulators and experts from different parts of the country to exchange knowledge and ideas.
- To provide an in-depth analysis of role of Pharmacist in Health care system and update the knowledge of the participants from academic/research arena.
- To enhance the focus on Education using latest technology and teachers training.

APPEAL FROM PRESIDENT- IPCA

Dear Friends,

It gives me immense pride and privilege to welcome you all to the 74th Indian Pharmaceutical Congress (IPC), being held in the dynamic city of Bengaluru. As President of the Indian Pharmaceutical Congress Association (IPCA), I am deeply honored to lead this prestigious gathering that brings together the best minds from academia, industry, regulatory bodies, and healthcare.

This year's theme, ***"AI & Technology in Pharma: Educate, Innovate, Empower,"*** captures the transformative journey we are undertaking as a profession. The integration of artificial intelligence and emerging technologies is revolutionizing how we approach drug discovery, patient care, regulatory processes, and pharmacy education. It is our responsibility to ensure that this transformation is inclusive, ethically sound, and focused on public health outcomes.

IPC has always been a platform for knowledge exchange, policy shaping, and forging meaningful collaborations. The 74th edition promises to continue this legacy, with a wide range of scientific sessions, conclaves, exhibitions, and networking opportunities. It is also a moment to reflect on our shared mission—building a healthier tomorrow through scientific excellence, innovation, and education.

I extend my heartfelt gratitude to our esteemed guests, organizing committees, sponsors, and every delegate whose presence strengthens this event. Let us commit to empowering our profession through continuous learning and visionary thinking.

I look forward to an inspiring, insightful, and impactful IPC.

Dr. Milind J. Umekar

ABOUT APTI

An Association founded by the pioneers of Pharmacy education in India in 1966 by leading personalities like Prof. M. .L Schroff, Prof. G. P Srivastava and others, have come a long way in creating better intercommunication and promotion of excellence in pharmacy education. Through it's tailor-made mission and objectives, the association has provided a common platform for bringing together teachers of pharmacy education across the nation. APTI which is celebrating Its 59 years, today has more than 16000 life members apart from a sizeable number of associate life members and student members from all over the country. The Association with its activities is providing a robust platform for the bouncing avant-garde ideas of the members in the academic field through new and more advanced teaching methodologies, fabrication of tools, computer-aided drug designs and other applications through interaction with industry, hospitals, regulatory bodies and community pharmacy.

APTI association has grown and expanded its presence in areas beyond Pharmacy education, into:

- Nurturing the aspirations of students. Guide cutting-edge research.
- Provide invaluable consultancy to industry and academia.
- Encouraging entrepreneurial spirit by promoting start-ups.
- Teachers' Advisory to strengthen Teaching Learning and Research.
- Outcome-based processes focusing on Teacher's welfare.
- Group Insurance for Teachers.
- National forum for teachers to connect with high officials.
- Plans to have an Extensive membership drive to bring all teachers.
- On the cards Travel grants to teachers for international connect.
- Collaborations with high-end labs to provide teachers with facilities to cater to R&D.
- Awards for deserving teachers and motivation for others to work hard.
- Publishing high esteemed Scopus-Indexed journals.
- Newsletter of women forum and APTI bulletin theme based.
- Active website and connect at the Secretariat to attend to all teachers concerns.

LOC APPEAL

Dear Friends,

Greetings from the Local Organizing Committee! We are thrilled to announce that the 74th Indian Pharmaceutical Congress (IPC) will take place from December 19-21, 2025, at the Bengaluru International Exhibition Centre (BIEC). Hosted by the Association of Pharmaceutical Teachers of India (APTI), this prestigious event promises to be a landmark gathering for the advancement of pharmacy education, practice, and research in India.

The 74th IPC will unite a diverse group of professionals, including Pharmaceutical industry leaders, Academic and research scholars, Hospital and clinical pharmacists, Drug control officers, Pharmacy students and interns. The Congress aims to Foster interdisciplinary dialogue, Showcase cutting-edge research, Explore emerging technologies, Address key challenges in the pharmaceutical and healthcare sectors.

With over 10,000 delegates expected, this event will provide a unique opportunity for collaboration, innovation, and knowledge sharing. Bengaluru, a hub for biotechnology, pharmaceutical innovation, and academic excellence, is the perfect setting for this congress.

The event will feature Plenary sessions, Technical symposia, Scientific paper presentations, Exhibitions and Networking forums

We appeal for your generous support through sponsorships, advertisements, and active participation. Your contribution will help us deliver an impactful event and advance the pharmacy profession in India. Let's join hands to make the 74th IPC a memorable and meaningful success!

ABOUT VENUE

Bangalore International Exhibition Centre is India's first LEED-certified green facility for exhibitions, conferences, and events.

BIEC, a 57-acre venue, is connected to around 100 destinations worldwide. with a built-up area of 1,10,000 square metres, an indoor exhibition space of 77,200 square metres, 5 exhibition halls, conference centre, food court, entrance plaza, and ample parking space, BIEC offers a state-of-the-art venue for exhibitions, conferences, meetings, and corporate events.

Envisioned by the Indian Machine Tool Manufacturers' Association (IMTMA), every important industrial sector finds in BIEC an international venue. As a sought-after venue, it has hosted more than 400 events since 2007 including many national and international ones. As a classic example of the adoption of green practices, BIEC encourages eco-design to create an optimum balance between economics and environment-friendly requirements. All this is done with a no-compromise approach to basic health and safety regulations.
