ABOUT IPCA

A Federation of five National Pharmaceutical Associations as its constituents - IPCA is the apex body representing the Indian Pharmacists working in various capacities, viz, Community Pharmacists, Hospital Pharmacists, Industry (in Production, R & D, Quality Assurance, Marketing, Regulatory Affairs) Academics and other disciplines and areas of work. IPCA has more than 20,000 pharmacists as its members: The Indian Pharmaceutical Association - IPA, The Indian Pharmacy Graduates Association - IPGA, The Indian Hospitals Pharmacist Association - IHPA, The Association of Pharmaceutical Teachers of India - APTI and The All India Drugs Control Officers Confederation - AIDCOC. The first Indian Pharmaceutical Congress (IPC) was organized at Kolkata in December 1948 with Prof M. L. Shroff as its President. Thereafter, each year the IPC has been organized successfully. The Professionals elected to preside over the IPC and IPCA for these years have been people of great eminence in their field. The Presidents have been personalities mainly from the Drug Industry, Pharmaceutical R & D, Pharmacy Education and Drugs Regulatory Affairs. Intelligent and appropriate expression to the theme statement provided by each of them for their respective IPC and IPCA.

The Objectives

- To bring together Academicians, Scientists, Industrialists, Regulators and experts from different parts of the country to exchange knowledge and ideas.
- To provide an in-depth analysis of role of Pharmacist in Health care system and update the knowledge of the participants from academic/research arena.
- To enhance the focus on Education using latest technology and teachers training.

APPEAL FROM PRESIDENT- IPCA

Dear Friends,

It gives me immense pride and privilege to welcome you all to the 74th Indian Pharmaceutical Congress (IPC), being held in the dynamic city of Bengaluru. As President of the Indian Pharmaceutical Congress Association (IPCA), I am deeply honored to lead this prestigious gathering that brings together the best minds from academia, industry, regulatory bodies, and healthcare.

This year's theme, ***"AI & Technology in Pharma: Educate, Innovate, Empower,"*** captures the transformative journey we are undertaking as a profession. The integration of artificial intelligence and emerging technologies is revolutionizing how we approach drug discovery, patient care, regulatory processes, and pharmacy education. It is our responsibility to ensure that this transformation is inclusive, ethically sound, and focused on public health outcomes.

IPC has always been a platform for knowledge exchange, policy shaping, and forging meaningful collaborations. The 74th edition promises to continue this legacy, with a wide range of scientific sessions, conclaves, exhibitions, and networking opportunities. It is also a moment to reflect on our shared mission—building a healthier tomorrow through scientific excellence, innovation, and education.

I extend my heartfelt gratitude to our esteemed guests, organizing committees, sponsors, and every delegate whose presence strengthens this event. Let us commit to empowering our profession through continuous learning and visionary thinking.

I look forward to an inspiring, insightful, and impactful IPC.

Dr. Milind J. Umekar

President,
Indian Pharmaceutical Congress Association (IPCA)
&
Association of Pharmaceutical Teachers of India
(APTI)

Glimpses of Past Event

Why Exhibit?

Introduction:

The PharmaTech & LabTech Expo 2025 is set to be the **Leading** event for showcasing the latest innovations and technologies in the pharmaceutical industry. Join us in Bengaluru from December 19-21, 2025, to explore groundbreaking advancements, connect with industry leaders, and gain insights into the future of pharmaceutical technology.

Showcase. Connect. Lead.

Stand Out in Innovation Elevate your brand by showcasing your latest innovations to a global audience. Gain visibility and recognition as a leader in pharmaceutical advancements.

Engage with Industry Leaders Meet and interact with key decision-makers, stakeholders, and industry influencers. Forge partnerships that can transform your business and open new avenues for growth.

Stay Informed and Ahead Immerse yourself in the latest industry trends and technological advancements. Participate in knowledge-sharing sessions and gain insights that keep you ahead of the curve.

Who Should Attend?

- Purchase Officers of Pharmaceutical Companies
- CEOs, Directors, Engineers, & Technocrats
- R&D Directors, Research Scientists,
- Laboratory Technicians
- Regulatory Officers
- Process Engineers
- Healthcare Consultants & R&D Professionals
- Biotech Researchers,
- Nutraceutical Product Developers,
- Business Development Managers
- Equipment Suppliers & Distributors
- Trade Delegates of Various Countries
- Procurement Managers, Purchasing Officers, Supply Chain Managers
- Purchase Officer of Ayurveda & Nutraceuticals
- Policy Makers & Decision Makers
- Contract Research and Manufacturing Organizations (CROs and CMOs)
- Hospital & Pathology Labs
- Pharmacists, Medical Practitioners
- Ayurveda, Cosmeceutical, Nutraceutical manufacturers
- Quality Control Managers, Quality Assurance Specialists, Compliance Officers
- Pharmacists & Scientists
- Academicians, Teachers
- Foreign Commercial Corporations
- Government Officials, Regulatory Inspectors,
- Representatives from industry associations, trade body officials

Exhibitor's Profile

- Advanced Pharma Machinery: Display cutting-edge machinery that enhances efficiency and productivity.
- Innovative Lab Equipment: Present state-of-the-art lab wares & Analytical instruments.
- Sustainable Solutions: Demonstrate eco-friendly water treatment and waste management systems.
- Biotech Innovations: Share your advancements in biotechnology and clinical research.
- Digital Pharma: Introduce transformative software solutions for the pharma industry.
- Pumps, Valves, Pipes & Fitting: Exhibit the essential components of fluid dynamics with innovative pumps, valves, pipes, and fittings.
- Turnkey Project Providers & Consultants
- R&D, Quality Control Laboratories
- Government Organizations & Industrial Investment Agencies
- Software for Pharma Industry & Management
- Environment & Pollution Control Bodies
- Trade Associations, Trade Promotion Bodies
- Processing Plants & Machineries
- Packaging Machineries
- Clean Room Equipment's & Furniture
- Process Equipment, Instrumentation & Automation Control
- Material Handling Equipment
- Safety Equipment's
- Track & Trace Solution and Vision inspections
- Chemical Process Equipment's

- Third-Party Pharma & Nutraceutical Manufacturers
- Cosmetic & Personal Care Contract Manufacturers
- Veterinary Drug Contract Manufacturers
- CMO/CDMOs (Contract Development & Manufacturing Organizations)
- Private Label & White Label Manufacturing Companies
- Regulatory Consultants Specializing in Contract Manufacturing
- Formulations & APIs: Highlight your latest developments in active pharmaceutical ingredients.
- Excipients & Additive Manufacturers
- Bulk Drug & Intermediates Suppliers
- Packaging Material Manufacturers (Bottles, Blister Packs, Tubes, Vials, etc.)
- Labeling, Coding & Marking Systems Providers
- Sustainable & Smart Packaging Innovators
- Printing & Packaging Design Agencies
- Cold Chain & Logistics Packaging Solutions
- Nutraceuticals, Cosmetics & Speciality Chemical: Feature your ground-breaking products in health and beauty.
- Life Science: Explore the wonders of life science, where we uncover the mysteries of living organisms and their interactions with the environment.
- IPR Standards & Patent Formulation Bodies
- Healthcare products - Ayurvedic, Wellness & Fragrance Manufacturers

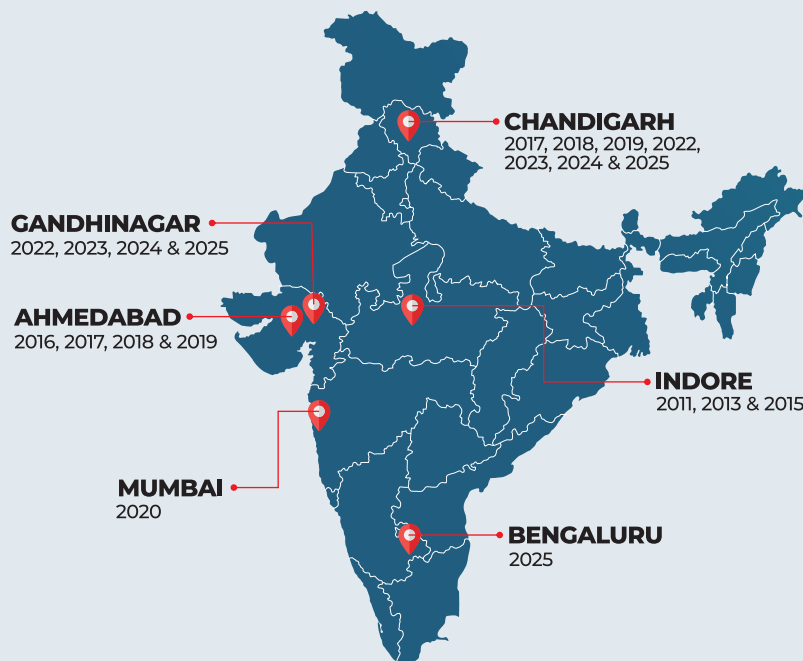

Seminar

A seminar focused on industry and regulatory awareness for professionals in the field. This Seminar will provide valuable insights into pharmaceutical norms and emerging technologies, helping attendees enhance their knowledge and streamline business opportunities.
